

To Whom It May Concern :

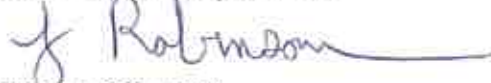

I would like to thank and recognize Steve Otto for his outstanding craftsmanship on our custom built home in McMinnville, Tennessee. His influence on the exterior and Interior designs have been beneficial in giving us the home we have always dreamed Of.

I worked directly with Steve from November of 2007 to October of 2008 on this project and watched each stage of the house develop. I would challenge anyone to find a better built home in this area. Anyone is welcome to come and look for yourself and view the step by step photos. This home has the craftsmanship and pride that went into homes 100 years ago and will stand the test of time.

I would be pleased to discuss this project or can show by appointment.

Sincerely,

Jeff & Monica Robinson
